

STATE OF CALIFORNIA
OMR DATABASE INFORMATION REQUEST FORM
OMR-4 Page 1 (Rev. 08/04)

The Office of Mine Reclamation maintains a database of information submitted annually by mine operators in the State. Because this office derives this information from individual operators, we cannot guarantee its accuracy.

To request information from our database, complete sections 1-4 and send the form to the address below or FAX to (916) 322-4862. Please allow 3-6 weeks for our response.

DEPARTMENT OF CONSERVATION
OFFICE OF MINE RECLAMATION
801 K Street, MS 09-06
Sacramento, CA 95814-3529
(916) 323-9198

Reporting Years: Data available for 1990 - 2003

Specify Year(s): _____

<input type="checkbox"/> All Data (available on diskette only) ¹	<input type="checkbox"/> Lead Agency	<input type="checkbox"/> Longitude/Latitude
<input type="checkbox"/> California Mine ID Number	<input type="checkbox"/> Reclamation Plan Status ²	<input type="checkbox"/> Commodities Produced ²
<input type="checkbox"/> Mine Status ²	<input type="checkbox"/> Permit Number	<input type="checkbox"/> Type of Mining Operation ²
<input type="checkbox"/> Mine Name	<input type="checkbox"/> Reclamation Plan Number	<input type="checkbox"/> Acreage Permitted
<input type="checkbox"/> Operator with Address	<input type="checkbox"/> Financial Assurance Amount	<input type="checkbox"/> Disturbed Acreage
<input type="checkbox"/> Reclamation Status ²	<input type="checkbox"/> Financial Assurance Type	(End of Reporting Year)

SECTION #4 FORMAT

Data available on hardcopy or CD only. Check format preference: ☐ Hardcopy ☐ CD – MS Excel

1. Due to printing constraints "All Data" is available on CD only.
2. See attached code sheet.

The Department of Conservation's publication "Mines and Mineral Producers Active in California" (Special Publication 103) lists the mine name, address, phone number, location and commodity produced for all active mines in California. This publication can be ordered postpaid from the California Geological Survey via mail or telephone for \$10.00. Please direct inquiries to: California Geological Survey, 801 K Street, MS 14-34, Sacramento, CA 95814, (916) 445-5716.
